

GENESEO CENTRAL SCHOOL DISTRICT BOARD OF EDUCATION NEWS

NEW SUPERINTENDENT SEARCH INFORMATION

A Message from the Board of Education President...

October 1, 2018

Dear Geneseo School Community,

On September 25, 2018, the Board of Education met in Executive Session with Kevin MacDonald, who is our BOCES District Superintendent and our search consultant, who will help guide us in the search for a new Superintendent. As promised, I am sharing with you information regarding the search for our next Superintendent. I have attached the "Timeline for Filling the Geneseo Central School Superintendent Vacancy." This will give you an idea of what will take place over the course of the next several months, and the corresponding dates that the Board chose in our meeting with Mr. MacDonald.

You will note that there are several "activities" that involve only the Board and others that involve only other constituent groups including staff/faculty and community members.

There will be committees that will be engaged to interview the semi-finalist candidates. Mr. MacDonald will be in charge of these meetings and will be seeking input from the Administrative team and Geneseo Faculty Association president to determine individuals from all departments, in both buildings, from all staffing areas (buildings and grounds, transportation, clerical etc.) to sit on these various committees. He will be in charge of assisting these committees in choosing interview questions to ask the candidates and will sit in on those interviews. He will then collect data from those interviews to share with the Board.

Likewise, he will do the same when it comes to the community. There will be an interview committee made up of community members and a forum held for ANY community member to attend to meet and greet the candidates.

Lastly, there will be a survey that Mr. MacDonald and his staff will create to gather information regarding what is most important to constituents in regards to a successful Superintendent candidate. Once we receive this survey we will get that out to all of the stakeholders so we can get as much feedback as possible to assist us in the search.
