Student Lockers

On Friday, March 20th parents will be able to come to school and retrieve items from student's lockers. Parents and students will not be allowed in the building, staff will bring you your child's items that have been placed in bags. We will share a schedule tomorrow when items can be picked up.

Social Distancing Preventive Measures

Social distancing is deliberately increasing the physical space between people to avoid spreading illness. Staying at least six feet away from other people lessens your chances of catching COVID-19.

Other examples of social distancing that allow you to avoid larger crowds or crowded spaces are:

- Working from home instead of at the office
- Closing schools or switching to online classes
- Visiting loved ones by electronic devices instead of in-person
- Canceling or postponing conferences and large meetings
