

## **Procedures for Student Drop-Off at Geneseo Central School:**

- As you drive on to campus, proceed to the Student Drop-Off Loop. (Do not use the parking lot for student drop off. The parking lot was not intended for through traffic or student drop-off. This defeats the safety features of having a drop-off loop with attached sidewalks.)
- Once in the drop-off loop, pull over to the sidewalk as soon as you are able.
- As soon as you can, have students unload. Don't wait until you reach the front of the line.
- Have all students in the vehicle exit directly onto the sidewalk from the right hand side of the car. (Do not allow students to exit in to traffic.)
- Do not drop off students or stop directly behind the handicapped parking area. This is a NO DROP/ NO STOP ZONE.
- You can drop off on the parking lot (south) side of the loop.
- After dropping off students, check carefully for oncoming traffic and then pull out and exit the drop-off loop.
- No driver should exit a vehicle in the drop-off loop. If a driver needs to exit a vehicle, the vehicle must be parked in a visitor parking space.
