January 2020

Dear Students, Parents and Guardians:

It's hard to believe that we're already at the midway point of the school year. Our school has enjoyed a terrific half of the year. I would like to wish you and your family a new year full of health and happiness.

As a reminder, our students in grades 9-12 will be participating in midterm exams on January 21-24, 2020. Please review the schedule with your child to make sure they are present for their exams. Students in grades 6-8 will be taking their midterm exams in class and will follow normal school hours on January 21-24. The end of the marking period is on January 24, 2020, so it's very important that all students are in attendance for their assessments.

Students who are required to take a January Regents will be notified in advance. The bus times for departure are included on the schedule. The morning bus runs will follow the normal schedule on the way to school. Lunch will be available for students who wish to eat after their exam. A designated space will be provided to students who have a Regents or Local afternoon exam.

As we continue our efforts and focus on providing all students a safe, focused, and pleasant learning environment, we have implemented new cellphone protocols to be followed during the school day. There will be green and red signs posted throughout the building indicating to students where and when they may use their cellphones. Please remind your student that cellphones in school are a privilege and it's important for students to follow the established protocols to continue having them in their possession during the school day. As always, we deeply appreciate your continued support and assistance.

If you have any questions regarding the midterm exam schedule, please contact the main office at 243-3450, extension 1007. For your convenience, a copy of the exam schedule may be found at www.geneseocsd.org.

Sincerely,

Michael A. Salatel
MS/HS Principal
