Parent Message with Baby Picture

One of the more sentimental sections of the yearbook is our senior baby picture segment. In this section, parents/guardians have the opportunity to purchase “advertising” space in the yearbook to honor their senior with a personal message. To participate in this section, the parent needs to send:

- One single memorable photograph of your child as a baby (all photographs are returned), Email digital images to GeneseoYearbook@GeneseoCSD.org
- A brief personal message from you to be published with the picture (75 word *maximum*)
- A check for \$25 made out to “GCS Yearbook”

Deadline for payment: September 30, 2019

September Senior Responsibility: Senior Vote

The first week back to school in September you will have your first class of 2020 meeting of the year. At this meeting we will vote on two yearbook related issues:

- ⇒ Who will receive the class of 2020 Yearbook dedication?
- ⇒ Where will we go to take the group class picture? It's up to you! We will leave school 8th period on 9/18/2019 to go to this location for a full class picture. **Be thinking of fun places!!!!**

You will have an option to purchase a large panoramic copy of this picture. In past years, the cost has been \$15, payable to the photographers the day the photo is taken. Order forms to purchase this photo will be attached to the permission form which you must return to allow you to attend the class photoshoot.

September Senior Responsibility: Senior Spotlight

Every senior has a personal spotlight section in the yearbook that is devoted entirely to that senior. Some of the topics will include:

- A photo of yourself from any point in your life – free choice
- Senior quote
- Best of times
- Remember when
- Special thank you
- Advice to Underclassmen
- Future goals and dreams

There is no cost associated with this section, it is free. Senior packets will be shared with the class via Google Classroom the first week in September. Packet and photograph are submitted thru Google Classroom.
