

Supply List for 7th Grade 2021-22

We know that summer has just begun and that the start of the new school year is months away, but we have provided a list of supplies you will need so you can take advantage of the summer sales to prepare. **If you are unable to purchase supplies for *any* reason, we have a great surplus of gently used supplies in the back of Ms. Randall's room and in the MS/HS Media Center that are available for free to any student. In addition, if you are in need of any other supplies such as a backpack, locker shelves or lunch bag, please contact the counseling center at 243-3450 x1019.** Have a great summer and see you in September!!

General Supplies

- Pencils and pens
- 1 durable 2 pocket folder to be used as a homework folder to carry homework back and forth to school
- 1 highlighter (your preference of color)
- 1 set of colored pencils, crayons, or markers (your preference)

English Supplies (Ms. Randall)

- One 1 inch 3 ring binder

Social Studies (Mrs. Prinzi)

- One 2-pocket folder

Science Supplies (Mrs. Stevenson)

- One green 2-pocket folder

Math (Mr. Baer)

- One 1 inch black 3 ring binder
- **OPTIONAL** - TI-34 II scientific calculator (\$15), *Ti-NSpire CX (not CAS) graphing calculator (\$130 to \$150), or Ti-84 Plus(\$85) or Ti-84 Plus CE Graphing Calculator (\$100).

I know the graphing calculators are expensive, but it will be used every day in class, for homework, and on most of your local and state exams for the next 5 years. Three Regents Exams in math now require the use of a graphing calculator. The math department is phasing out of the Ti-84s and is moving toward the *Ti-NSpire CX. Having your own and knowing how to use it in 7th grade helps you become more proficient in high school. The school can supply calculators for in-class use only. You will not be able to sign a calculator out for homework, however a simple calculator with scientific notation such as that on any cell phone will be enough for most homework assignments.

Spanish Supplies (Mrs. Coleman)

- 2" white 3-ring binder
- 20 page protectors (NOT dividers)
- 1 dry erase marker

French Supplies (Mrs. Dwyer)

- 1" white 3 ring binder (with 12 dividers)
- 1 dry erase marker
- 1 pack of lined paper

The purpose of the notebook colors suggested above is to help students stay organized and to help them get their materials out of their lockers more quickly in between classes. It would be a great idea to label your binders and folders with your name, subject and grade level in permanent marker.
