## WHY SUPPORT THE GENESEO CENTRAL EDUCATION FUND?

The best possible education is the most important investment a community can make. Through charitable giving, the GCEF enhances and enriches educational opportunities for Geneseo Central School students and staff.

Money from the Fund may be used for a variety of educational purposes that the district's budget may not be able to support – all of which add a margin of excellence to the educational experience of current and future Geneseo Central School students. Examples include:

- **Scholarships**
- **New curricular initiatives**
- **Technological innovations**
- **Staff training**
- **Guest speakers**
- **Faculty-supervised student research**

The Fund is organized under its own by-laws, and its volunteer board is comprised of members of the Geneseo school community. All gifts to the Fund are tax deductible to the full extent provided by law.
